Subject: **TREASURY SURPRISE CASH COUNT – MAY 26 AND 27, 2016**

At your request, we have performed the procedures enumerated below, which were agreed to by the Department of Finance, Treasury Division and the Department of Finance, Auditor-Controller, solely to perform a surprise cash count of the Treasury Division's Cashier Section. Cashier locations counted includes the Treasury Division's main office and satellite cashier offices including Building Assistant Centers (Downtown and Goethe Road) and County Service Centers (Fair Oaks and McClellan). The surprise cash count is as of May 26 and 27, 2016. Because of the different operating hours, receipts related to the main Treasury Division cashier location, Downtown, Goethe Road, and McClellan from activities on May 25, 2016 were counted on the morning of May 26, 2016. Fair Oaks' activities from May 24, 2016 were counted on the morning of May 27, 2016. The Department of Finance, Treasury Division's management is responsible for the Cashier Section's accounting records. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. Our procedures and findings are as follows:

- We reconciled imprest cash to the authorized amounts posted on the Sacramento County Financial System (COMPASS).

Finding: The Treasury Division's imprest cash materially agreed to authorized amounts on COMPASS. See Attachment I, *Summary of Cash Counted*.

- We reconciled daily deposits to financial records.

Finding: Daily deposits reconciled to financial records and COMPASS. See Attachment I, *Summary of Cash Counted*.

We were not engaged to, and did not, conduct an audit, the objective of which would be the expression of an opinion on the accounting records. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you. This report is intended solely for the information and use of the Department of Finance, Treasury Division, Cashier Section and does not extend to Internal Services' and the Department of Finance's imprest cash funds or deposits taken as a whole, and is not intended to be, and should not be, used by anyone other than those specified parties.
