Independent Accountant's Report

To the Honorable Board of Supervisors and Treasury Oversight Committee
County of Sacramento, California

We have examined management's assertion that the County of Sacramento, California (County) Treasurer complied with the investment compliance requirements presented in Article 6, Sections 27130 through 27137, of the California Government Code, the Sacramento County Annual Investment Policy for the Pooled Investment Fund, and the Governing Investment Policy for the Non-Pooled Investment Fund as set forth in the accompanying Schedule 1, for the year ended December 31, 2019. Management is responsible for the County Treasurer's compliance with those requirements. Our responsibility is to express an opinion on management's assertion about the County Treasurer's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the County Treasurer complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the County Treasurer complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion. Our examination does not provide a legal determination on the County Treasurer's compliance with the specified requirements.

In our opinion, management's assertion that the County Treasurer complied with the aforementioned investment compliance requirements for the year ended December 31, 2019, is fairly stated in all material respects.

The report is intended solely for the information and use of the Board of Supervisors, County Treasury Oversight Committee, and management of the County and is not intended to be, and should not be, used by anyone other than these specified parties.

Assertions of the County of Sacramento (County) Treasurer regarding compliance with Article 6, Sections 27130 through 27137 of the California Government Code, the Sacramento County Annual Investment Policy for the Pooled Investment Fund and the Governing Investment Policy for the Non-Pooled Investment Fund for the year ended December 31, 2019.

The County Treasurer asserts compliance with the investment compliance requirements presented in the California Government Code, Article 6, Sections 27130 through 27137, the Sacramento County Annual Investment Policy for the Pooled Investment Fund and the Governing Investment Policy for the Non-Pooled Investment Fund which are as follows:

Article 6:

1. 27130 - The Legislature finds and declares that local agencies, including school districts, should participate in reviewing the policies that guide the investment of those funds. The Legislature further finds and declares that by pooling deposits from local agencies and other participants, county treasuries operate in the public interest when they consolidate banking and investment activities, reduce duplication, achieve economies of scale, and carry out coherent and consolidated investment strategies. The Legislature further finds and declares that the creation of county treasury oversight committees will promote the public interest by involving depositors in the management of their funds and by enhancing the security and investment return on their funds by providing a more stable and predictable balance for investment by establishing criteria for the withdrawal of funds.
2. 27131 - (a) The board of supervisors in each county or city and county may, if the county or city and county is investing surplus funds, establish a county treasury oversight committee. The board of supervisors, in consultation with the county treasurer, shall determine the exact size of the committee, which shall consist of from 3 to 11 members, and the categories from which the members shall be represented, as specified in subdivisions (a) to (g), inclusive, of Section 27132. Members shall be nominated by the treasurer and confirmed by the board of supervisors. (b) In recognition of the state and local interests served by the action made optional in subdivision (a), the Legislature encourages local agencies to continue taking the action formerly mandated by this section. However, nothing in this subdivision may be construed to impose any liability on a local agency that does not continue to take the former mandated action.
3. 27132 - The county treasury oversight committee, pursuant to Section 27131, shall consist of members appointed from the following: (a) the county treasurer. (b) The county auditor, auditor-controller, or finance director, as the case may be. (c) A representative appointed by the county board of supervisors. (d) The county superintendent of schools or his or her designee. (e) A representative selected by a majority of the presiding officers of the governing bodies of the school districts and community college districts in the county. (f) A representative selected by a majority of the presiding officers of the legislative bodies of the special districts in the county that are required or authorized to deposit funds in the county treasury. (g) Up to five other members of the public. (1) A majority of the other public members shall have expertise in, or an academic background in, public finance. (2) The other public members shall be economically diverse and bipartisan in political registration.

Article 6 (continued):

4. 27132.1 - A member may not be employed by an entity that has (a) contributed to the campaign of a candidate for the office of local treasurer, or (b) contributed to the campaign of a candidate to be a member of a legislative body of any local agency that has deposited funds in the county treasury, in the previous three years or during the period that the employee is a member of the committee.
5. 27132.2 - A member may not directly or indirectly raise money for a candidate for local treasurer or a member of the governing board of any local agency that has deposited funds in the county treasury while a member of the committee.
6. 27132.3 - A member may not secure employment with, or be employed by, bond underwriters, bond counsel, security brokerages or dealers, or financial services firms, with whom the treasurer is doing business during the period that the person is a member of the committee or for one year after leaving the committee.
7. 27132.4 - Committee meetings shall be open to the public and subject to the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5).
8. 27133 - In any county that establishes a county treasury oversight committee pursuant to this article, the county treasurer shall annually prepare an investment policy that will be reviewed and monitored by the county treasury oversight committee. The investment policy shall include all of the following: (a) A list of securities or other instruments in which the county treasury may invest, according to law, including the maximum allowable percentage by type of security. (b) The maximum term of any security purchased by the county treasury. (c) The criteria for selecting security brokers and dealers from, to, or through whom the county treasury may purchase or sell securities or other instruments. The criteria shall prohibit the selection of any broker, brokerage, dealer, or securities firm that has, within any consecutive 48-month period following January 1, 1996, made a political contribution in an amount exceeding the limitations contained in Rule G-37 of the Municipal Securities Rulemaking Board, to the local treasurer, any member of the governing board of the local agency, or any candidate for those offices. (d) Limits on the receipt of honoraria, gifts, and gratuities from advisors, brokers, dealers, bankers, or other persons with whom the county treasury conducts business by any member of the county treasury oversight committee. These limits may be in addition to the limits set by a committee member's own agency, by state law, or by the Fair Political Practices Commission. (e) A requirement that the county treasurer provide the county treasury oversight committee with an investment report as required by the board of supervisors. (f) The manner of calculating and apportioning the costs, authorized by Section 27013, of investing, depositing, banking, auditing, reporting, or otherwise handling or managing funds. The criteria shall include an assessment of the effect of a proposed withdrawal on the stability and predictability of the investments in the county treasury.
9. 27134 - The county treasury oversight committee shall cause an annual audit to be conducted to determine the county treasury's compliance with this article. The audit may include issues relating to the structure of the investment portfolio and risk.

Article 6 (continued):

10. 27135 - The costs of complying with this article shall be county charges and may be included with those charges enumerated under Section 27013.
11. 27136 - (a) Notwithstanding any other provisions of law, any local agency, public agency, public entity, or public official that has funds on deposit in the county treasury pool and that seeks to withdraw funds for the purpose of investing or depositing those funds outside the county treasury pool, shall first submit the request for withdrawal to the county treasurer before withdrawing funds from the county treasury pool. (b) The county treasurer shall evaluate each proposed withdrawal for its consistency with the criteria adopted pursuant to subdivision (h) of Section 27133. Prior to approving a withdrawal, the county treasurer shall find that the proposed withdrawal will not adversely affect the interests of the other depositors in the county treasury pool.
