The Honorable Board of Supervisors of the
County of Sacramento
Sacramento, California

We have performed the procedures enumerated below to the accompanying Appropriations Limit Worksheet of the County of Sacramento, California (County) for the fiscal year ended June 30, 2022. The County's management is responsible for the Appropriations Limit Worksheet for the fiscal year ended June 30, 2022.

The County has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of meeting the requirements of Section 1.5 of Article XIII-B of the California Constitution. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures performed and our findings are as follows:

1. We obtained the completed worksheets setting forth the calculations necessary to establish the County's appropriations limit and compared the 2021-2022 limit and annual adjustment factors included in those worksheets to the limit and annual adjustment factors that were adopted by a resolution of the County Board of Supervisors. We also compared the population and inflation factors included in the aforementioned worksheets to those that were selected by a recorded vote of the County Board of Supervisors.

Finding: No exceptions were noted as a result of applying our procedures.

2. For the accompanying Appropriations Limit Worksheet, we added last year's limit to the annual adjustment amount, and compared the resulting amount to the 2021-2022 appropriations limit.

Finding: No exceptions were noted as a result of applying our procedures.

3. We compared the current year information presented in the accompanying Appropriations Limit Worksheet to the worksheets described in procedure No. 1 above.

Finding: No exceptions were noted as a result of applying our procedures.

4. We agreed the prior year appropriations limit presented in the Appropriations Limit Worksheet to the prior year appropriations limit adopted by the County Board of Supervisors.

Finding: No exceptions were noted as a result of our procedures.

We were engaged by the County to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the AICPA. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the accompanying Appropriations Limit Worksheet of the County for the fiscal year ended June 30, 2022. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.
