Independent Auditor's Report

Board of Supervisors and the District Attorney County of Sacramento Sacramento, California

Report on the Audit of the Financial Schedules

Opinion

We have audited the Schedule of Grant Revenues and Expenditures and Carry-Over Funds and related Schedule of Eligible Costs – Budget to Actual (Financial Schedules) of the County of Sacramento, California (County), Office of the District Attorney's (DA Office), California Department of Insurance Grants, which comprise the Automobile Insurance Fraud Program, the Organized Automobile Fraud Activity Interdiction Program and the Workers' Compensation Insurance Fraud Program, as of and for the fiscal year ended June 30, 2022, and the related notes to the financial schedules as listed in the table of contents.

In our opinion, the accompanying Financial Schedules referred to above present fairly, in all material respects, the grant revenues, expenditures, carry-over funds and budgeted amounts of the County's California Department of Insurance Automobile Insurance Fraud Program, the Organized Automobile Fraud Activity Interdiction Program, and the Workers' Compensation Insurance Fraud Program for the fiscal year ended June 30, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Schedules section of our report. We are required to be independent of the County's DA Office, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 2A, the Financial Schedules present only the financial activities of the County's California Department of Insurance Automobile Insurance Fraud Program, the Organized Automobile Fraud Activity Interdiction Program, and the Workers' Compensation Insurance Fraud Program and do not purport to, and do not, present fairly the financial position of the County, as of June 30, 2022, and the changes in financial position, or where applicable, its cash flows for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Schedules

The County's DA Office management is responsible for the preparation and fair presentation of the Financial Schedules in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of Financial Schedules that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Schedules

Our objectives are to obtain reasonable assurance about whether the Financial Schedules as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the Financial Statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the Financial Schedules, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the Financial Schedules.
- obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the County's DA Office internal control. Accordingly, no such
 opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the Financial Schedules.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

Macias Gini & O'Connell LAP

In accordance with *Government Auditing Standards*, we have also issued our report dated October 31, 2022 on our consideration of the County DA Office's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County DA's Office internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County DA Office's internal control over financial reporting and compliance.

Notes to the Financial Schedules (Continued) For the Fiscal Year Ended June 30, 2022

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

A. Schedule of Grant Revenues, Expenditures and Carry-Over Funds

The Schedule of Grant Revenues and Expenditures and Carry-Over Funds and the Schedule of Eligible Costs – Budget to Actual (Financial Schedules) present the eligible costs charged to the Automobile Insurance Fraud Program, the Organized Automobile Fraud Activity Interdiction Program, and the Workers' Compensation Insurance Fraud Program by the County DA Office and the revenues awarded to the County DA's Office by the DOI Fraud Division. The Financial Schedules present only the financial activities of the County's California Department of Insurance Automobile Insurance Fraud Program, the Organized Automobile Fraud Activity Interdiction Program, and the Workers' Compensation Insurance Fraud Program and do not purport to, and do not, present fairly the financial position of the County, as of fiscal year June 30, 2022, and the changes in its financial position, or where applicable, its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America (GAAP).

B. Basis of Accounting

The Financial Schedules are prepared in accordance with GAAP. Revenues and expenditures are presented on an accrual basis. Expenditures are recognized in the accounting period in which they are incurred, that is, when goods are received or services are provided. Revenues are recognized in the accounting period in which the eligible expenditures are incurred.

C. Use of Estimates

The preparation of these Financial Schedules requires management to make estimates and assumptions that affect certain reported revenues and expenditures. Actual results could differ from those estimates.

NOTE 3 – FUNDING AMOUNTS

Automobile Insurance Fraud Program

The amount of the grant payments received from the DOI is based on the amount of funds available for disbursement. These funds are based on any carryover funds from the prior year grant award and an annual fee to be determined by the Insurance Commissioner, not to exceed one dollar annually, for each vehicle insured within the State of California (State). 51 percent of the assessment after incidental expenditures are available for distribution to district attorneys. Consequently, the budget amounts are estimated funding levels from the DOI until actual payment is received by the County DA's Office.

Organized Automobile Fraud Activity Interdiction Program

The amount of the grant payments received from the DOI is based on the amount of funds available for disbursement. These funds are based on any carryover funds from the prior year grant award and an annual fee to be determined by the Insurance Commissioner, not to exceed fifty cents annually, for each vehicle insured within the State. 42.5 percent of the assessment after incidental expenditures is available for distribution to district attorneys. Consequently, the budget amounts are estimated funding levels from the DOI until actual payment is received by the County DA's Office.

Notes to the Financial Schedules (Continued) For the Fiscal Year Ended June 30, 2022

A minimum of 40 percent of the available funds provided to the DOI Fraud Division is required to be distributed to district attorneys investigating and prosecuting workers' compensation fraud cases and cases relating to the willful failure to secure the payment of workers' compensation. Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Schedules Performed in Accordance with *Government Auditing Standards*

Board of Supervisors and the District Attorney County of Sacramento Sacramento, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the Schedule of Grant Revenues and Expenditures and Carry-Over Funds and related Schedule of Eligible Costs – Budget to Actual (Financial Schedules) of the County of Sacramento, California (County), Office of the District Attorney's (DA Office), California Department of Insurance Grants, which comprise the Automobile Insurance Fraud Program, the Organized Automobile Fraud Activity Interdiction Program, and the Workers' Compensation Insurance Fraud Program for the fiscal year ended June 30, 2022, and the related notes to the financial schedules, and have issued our report thereon dated October 31, 2022. Our report included an emphasis of matter paragraph regarding the Financial Schedules not purporting to present fairly the financial position or the changes in financial position of the County for the fiscal year ended June 30, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the Financial Schedules, we considered the County DA Office's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the Financial Schedules, but not for the purpose of expressing an opinion on the effectiveness of the County DA Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the County DA Office's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's Financial Schedules will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

Macias Gini É O'Connell LAP

As part of obtaining reasonable assurance about whether the County DA Office's Financial Schedules are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the Financial Schedules. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
