

Upcoming Changes to Your Monthly Sewage Collection, Treatment, & Resource Recovery Rates

In April 2024, the Sacramento Area Sewer District (SacSewer) Board of Directors approved a three-year rate increase. This year's increase is effective July 1, 2026. Increases to multi-family and senior housing communities are pro-rated. For more information, visit sacsewer.com/rates.

Collection Residential/Commercial Rate Increases *Per Equivalent Single-Family Dwelling*
