To: Direct Levy Districts

Subject: **FISCAL YEAR 2023-24 DIRECT LEVIES**

Our office is preparing to add direct levies to the Fiscal Year (FY) 2023-24 annual secured tax roll. This letter explains our requirements and costs for those direct levies. **We ask that all attachments, documents and data files be submitted electronically via email at Directlevy@saccounty.gov whenever possible.** Do not send attachments electronically and drop off or mail another copy. We only require one set. Below is the listing of attachments to be used for adding direct levies to the FY 2023-24 annual secured roll:

- **Attachment A** – Direct Levy Districts Existing In Fiscal Year 2022-23
- **Attachment B** – Request for New Direct Levy Number
- **Attachment C** – Signature of Agreement Form To Place Existing Direct Levies On the Fiscal Year 2023-24 Secured Tax Roll
- **Attachment D** – Direct Levy Data Submission Form
- **Attachment E** – Direct Levy Data Adjustments (After District's Original Submission) Fiscal Year 2023-24
- **Attachment F** – Direct Levy Correction-Removal Form (After Annual Secured Tax Roll Process) Fiscal Year 2023-24
- **Attachment G** – Data Submission Requirements
- **Attachment H** – Cost Schedule (Web Update by August 4, 2023 at <http://www.finance.saccounty.gov/AuditorController/Pages/TaxAcctRpts.aspx>)

In prior years, districts were erroneously permitted to make their levies non-proratable in situations where an annual bill correction resulted in an increased assessment following a change in ownership. This formerly allowed the full increased corrected levy to remain entirely on the secured roll after the correction. This option is no longer available. State law requires that levies be prorated between owners when a levy correction increase occurs following a change in ownership. Increased levy amounts resulting from corrections made after the subject property has been transferred to a bona fide purchaser for value shall now be entered on the unsecured roll in the name of the assessee at the time the error was made. Our forms have been revised to reflect this change.

New Direct Levies - Attachment B

If your agency has **new** direct levies to be added to the FY 2023-24 annual secured tax roll, your written request for a Direct Levy Number (**Attachment B**) must be received by our office no later than **July 28, 2023**. **Incomplete forms will be rejected.** Early submission is encouraged. **Please pay special attention to:**

- **Statutory Authority:** Statute under which district is formed and levy is authorized.
- **Foreclosable:** Resolution stipulating that your district will pursue the removal of the delinquent levies from the delinquent secured tax bill as specified by the bond covenant.
- **Public Contact Telephone:** This phone number will be listed on the annual tax bill and delinquency notice next to the District's Direct Levy name.
- **Required General Ledger Information:** County COMPASS general ledger account, fund, fund center, cost center information if the district banks with the County Treasury.

Please note the public contact phone number on Attachment B will be listed on the tax bill.

Upon receiving the direct levy number, please include the number on the *Signature of Agreement Form To Place Existing Direct Levies On FY 2022-23 Annual Secured Tax Roll (Attachment C)* and return it to this office on or before **July 31, 2023**.

Existing Direct Levies - Attachment C

If your agency is going to place existing direct levies on FY 2023-24 annual secured tax roll, please complete and sign the *Signature of Agreement Form To Place Existing Direct Levies On FY 2023-24 Annual Secured Tax Roll (Attachment C)* and return it to this office on or before **July 31, 2023**. Early submission is encouraged. If multiple direct levies are being submitted on the Attachment C, please list in ascending direct levy number order.

Please note **all** required information must be completed as applicable and **incomplete forms will be rejected**. Please pay special attention to:

- **Statutory Authority:** Statute under which district is formed and levy is authorized.
- **Foreclosable:** Resolution stipulating that your district will pursue the removal of the delinquent levies from the delinquent secured tax bill as specified by the bond covenant.
- **Public Contact Telephone:** This phone number will be listed on the annual tax bill and delinquency notice next to the District's Direct Levy name.
- **Active levy with zero amounts/counts:** These must be included on the Attachment C.

Direct Levy Submission Requirements – Attachments D & G

Direct levy data file or listing must be received in this office no later than **August 4, 2023** unless other arrangements are made prior to that date. The direct levy data format and content must conform to Sacramento County's data requirements (**Attachment G**). Only **one** direct levy district/number can be submitted per electronic data file or hardcopy and **must be accompanied with Direct Levy Data Submission Form (Attachment D)** indicating the item count, total dollar amount, contact person, and telephone number. Please submit your direct levy data as soon as possible to allow time for corrections. **Please include the direct levy number in the electronic data file or hardcopy.** Please ensure bulk items are submitted in ascending direct levy number order. **We reserve the right to reject any direct levies submitted after August 4, 2023.**

In addition, an electronic data file or hardcopy of the Board Resolution is required for each direct levy **PRIOR** to processing. Some Board Resolutions are for multiple direct levies. In this case, the electronic data file or hardcopy accompanying the Board Resolution must include a list of every direct levy number associated with the resolution in the file name or hardcopy. Please label the Board Resolution clearly so if multiple Board Resolutions are sent the direct levy number they pertain to are listed on each document. Also, an email notification is required listing all inactive levies for the agency.

If you have bulk file submissions, please send them in a zipped folder.

Additions, Deletions, and Corrections – Attachment E, F & H

If you determine that a direct levy amount must be added, deleted, or corrected from the roll, we can process your request upon submission of the applicable form below. Forms must be authorized at the same organizational level that originally authorized the direct levy to be placed on the annual secured tax roll. **There is a cost for all additions, corrections, and deletions submitted. Please refer to the cost schedule (Attachment H).**

Before September 1, 2023 – To make changes **before** the annual secured tax bill create process is complete, please complete and submit the Direct Levy Adjustment Form (**Attachment E**) along with corrected electronic data file or hardcopy via Directlevy@saccounty.gov. The form and data must be submitted and received by this office on or before **September 1, 2023**.

After Annual Roll Process — To make changes **after** the annual secured tax bill has been created will result in the cancellation and reissuance of the annual secured tax bill if the levy is removed or reduced. An additional bill will be created if a levy is added or increased. Please complete the Direct Levy Correction-Removal Form (**Attachment F**). The cut-off date for changes will be **April 8, 2024**. Corrections or removal requests received after **April 8, 2024**, will be processed the last week of July 2024. ***Note – You may also use this form to change direct levy amounts for prior tax roll years. Simply cross out and replace the fiscal year in the header of the form.**

Direct Levies on Utility Parcels

If your agency is going to place a direct levy on a utility company property, please note that the utility company's parcel number will not be available on Sacramento County's property database until provided by the State Board of Equalization on or around August 1, 2023. If your agency is prepared to submit your direct levies prior to August 1, 2023, please omit any utility company direct levies and submit them separately when the parcel number is available. Utility company direct levies must be submitted on or before **August 4, 2023**.

Direct Levies on Federal, State or Local Agency Parcels under Proposition 218

If the federal, state or local agency was exempt from general or special taxes prior to Proposition 218, Proposition 218 did not change that status. Likewise, if the federal, state or local agency was subject to costs or other charges for specific services, Proposition 218 did not change that status. If your agency is going to place a direct levy on federal, state or local agency parcel-owned properties under Proposition 218, please note the following:

1. Federal, State or Local Agencies:

- a. If a federal, state or local agency disputes the authority to place the direct levy on the bill, the issue must be resolved between the agency and the district.
- b. A cancellation cost will be charged to your agency if your agency's special assessment is to be removed from federal, state or local agency-owned properties.

2. Federal Agencies:

Proposition 218 does not provide authority to impose special assessments on federal agencies or instrumentalities.

3. State and Local Agencies:

Under Article XIII D of the California Constitution, state and local agencies may be assessed for all new special assessments or increases in special assessment levied after the effective date of Proposition 218.

Direct Levies for Delinquent Charges

Charges for Abatement, Utilities, Sewer, Water Drainage, etc. are as a result of a service provided to customers. These delinquent charges are not considered a special tax or special assessment, therefore are also not afforded super-priority lien status pursuant to Revenue and Taxation Code section 2192.1. In the event of a private or judicial foreclosure sale or a tax-defaulted property sale, if there is a bona fide encumbrancer meeting statutory requirements, then the **unpaid direct levy** portion of the tax bill at the time of the Foreclosure or Tax Sale **shall be transferred from the secured roll to the unsecured roll for collection.**

Cancellations of Tax Bills of Less Than \$20.00

If a tax bill's amount for the ad valorem taxes is less than \$20.00, and the tax bill becomes delinquent on July 1, the County may cancel these tax bills under the provisions of Revenue and Taxation Code Section 4986.8.

Collections and Apportionments

For all direct levies billed on the annual secured tax roll, payments are due by December 10th and April 10th. Payments received will be apportioned to you as follows:

<u>Collection Date</u>	<u>Approximate Apportionment Month</u>
July 1 st - December 10 th	Late January
December 11 th - April 10 th	Middle of May
April 11 th - June 30 th	Early August

If your agency's funds are in the County Treasury, the apportionment will be made directly to your fund. If your agency's funds are not in the County Treasury, the distribution will be made to your district in the month following the apportionment. In addition, **if your direct levy is for a lien** on the property, we recommend that you **do not** release your lien until you have been paid via the distribution of property tax revenue as indicated in the approximate apportionment months above.

Delinquent Accounts

Any direct levies not collected by June 30th, will be collected as redemption accounts unless judicial foreclosure is required (see "Judicial Foreclosures" below).

By referring your district's direct levy to the County you agree that your district participates in the Teeter Plan – Alternative Method of Distribution of Tax Levies and Collection of Tax Sale Proceeds. Under the Teeter Plan, the County of Sacramento has the option to purchase delinquent direct levies on individual parcels in your district. The County will decide whether or not to purchase delinquent direct levies on individual parcels in your district annually. If the County decides to purchase delinquent direct levies on individual parcels in your district, you will receive the apportionment for the delinquent purchases in December or January of each year. If the County does not purchase delinquent direct levies on parcels in your district, your district will receive the apportionment for the delinquency upon payment from the taxpayers. Taxpayers have the option to pay the redemption account in full or in installments. Collection of the direct levy may take up to nine or more years if a tax sale is necessary. If the property is sold at a tax sale, the sale amount may be for less than the tax bill amount, in which case the direct levy may not be fully recovered. Effective with Fiscal Year 1998-99, the County will not purchase your district's delinquent direct levies on federal, state, and local agency-owned parcels.

Corrections, Cancellations, Refunds and Transfers of Levies to the Unsecured Roll

Revenue and Taxation Code section 4707 states that should any tax bill which was apportioned at the time of levy be changed by correction, cancellation, or refund, a pro rata adjustment for the amount of such change shall be made in each of the funds to which apportionment previously has been made. This includes transfers of direct levy liens from the secured roll to the unsecured roll in

the event of a foreclosure or tax sale. If any direct levy was purchased from the district in the Teeter Program purchase distribution and subsequently corrected, cancelled or refunded, any adjustment to the county records will be reflected in the "Prior Year Adjustments" of the next Teeter Program purchase distribution to the district.

Judicial Foreclosures – Attachment C & D

Some agencies have a covenant with bondholders that delinquent accounts will be judicially foreclosed upon rather than follow the County's tax sale process mentioned above. If your direct levy requires judicial foreclosure, you must notify us at the time your direct levy Signature of Agreement Form (**Attachment C**) and/or Direct Levy Data Submission Form (**Attachment D**) is submitted. As part of this process, your Board of Directors must adopt a standing resolution stipulating that your district will pursue the removal of the delinquent levies from the delinquent secured tax bill as specified by the bond covenant. **Two copies of this resolution must accompany your form.** One copy of this resolution will be forwarded to the Tax Collection Division of this office.

After June 30 of each year, for the life of the assessment bond, you shall identify the delinquent levies in your recorded "Notice of Intent to Remove Delinquent Special Tax Installment from the Tax Roll" (notice) per Government Code Section 53356.2 and Streets and Highways Code Section 8833. The notice must be recorded and submitted to the Tax Collection Division by the deadline specified in their correspondence providing your delinquencies. Once the Tax Collection Division receives a copy of the recorded notice, the identified direct levies will be removed from the delinquent tax bills. By this process, your agency will relieve the County of Sacramento of any further responsibility for the collection of these delinquent levies. Foreclosure on levies pursued outside of the Tax Collector's process will require a substantial processing cost and payment of all penalties and interest which would otherwise accrue to the remainder of the tax bill.

The Tax Collection Division and Auditor-Controller Division's Tax Accounting Bureau, continue to receive a substantial number and type of inquiries from sellers or agents requesting itemization of all special assessments and direct levies on tax bills and identification of those special assessments that are foreclosable. Based on our experience, it appears that some districts may not be aware of the disclosure requirements enacted by Senate Bill 1122, effective January 1, 2003. This legislation amends Section 1102.6b of the Civil Code, and also amends Section 53340.2 and adds Section 53754 of the Government Code. Civil Code section 1102.6b requires that the seller or agent of a property disclose special assessments (Mello-Roos and 1915 Bond Act assessments) that are subject to accelerated foreclosure. Upon request by the seller or agent, the district must provide a specific disclosure notice promptly to the requestor. Annually, the Tax Collection Division will request updates to the direct levy descriptions under a separate letter. These updates will allow easier identification of direct levies and contact information provided on the Tax Collector's website at <http://www.finance.saccounty.gov/Tax/Documents/rptDirectLevies.pdf> and Interactive Voice Response (IVR) System.

Administrative Items – Attachment C, D, F or H

It is the responsibility of your agency to determine the validity and accuracy of the direct levy amount. The County of Sacramento is not responsible for the validity or the computation of the direct levy amount. To evidence the County of Sacramento's authority to add direct levies to the tax bills on your behalf, please forward copies of your board resolution containing the appropriate legal code sections including assessment report, total direct levy amount and count, proper approval with your direct levy Signature of Agreement Form (**Attachment C**), and Direct Levy Data Submission Form (**Attachment D**).

Customer Service

In order to improve our customer service to taxpayers, we request that:

1. Your agency responds to taxpayers' inquiries in a timely and efficient manner;
2. Your agency **does not refer taxpayers to the County's staff regarding removal or correction of the direct levy amount**;
3. Your agency **must** provide a **written request for any removal or correction of your agency's direct levy (Attachment F)**; and
4. Your agency will reimburse the County of Sacramento for its cost in processing the removal or correction of your agency's direct levy. There is a cost for all additions, corrections and deletions. Please refer to the Cost Schedule (**Attachment H**). Processing and administrative costs related to adding direct levies to the FY 2023-2024 annual secured roll will be recovered in two installments concurrent with the distribution of the December 10th and April 10th of each year secured property tax collections. Administrative costs associated with the Direct Levy Correction-Removal Form request after the annual secured tax billing process will be directly invoiced to your district.

If you have any questions, please contact us via email at Directlevy@saccounty.gov or call Stephanie Huang, Manager of the Tax Accounting Bureau at (916) 874-6078.

Sincerely,

Joyce Renison
Interim Director of Finance

DEPT OF FINANCE - AUDITOR CONTROLLER DIVISION USE	
Received Date:	
AC TC#:	
Invoice#:	Date:
Completion Date:	
Make copy to file with Invoice	

I. ELECTRONIC DATA FILE SPECIFICATIONS AND FORMAT

- A. The data shall consist of one district per data.
- B. Naming convention for file is **DxxxxV01.M01**
Where: xxxxx = The DL district number
Examples: D0102V01.M01
 File for DL# 0102
- C. The file may be terminated by an “end of file” (CONTROL-Z “1A”).
- D. Records must be terminated by CARRIAGE RETURN/LINE FEED.
- E. Fields must be **fixed length** and **must not be separated by any special characters.**
- F. All fields except assessment number and update code are numeric. Numeric fields must consist of the characters “0” through “9” only (no spaces, periods, signs, currency symbols, or any other non-numeric characters). Numeric fields must be right-justified, zero filled. All fields are assumed positive.
Example: \$125.00 in levy amount field is 00000012500; the decimal point is assumed.
- G. Assessment number must be blank spaces or numeric.
- H. Update code must be alphabetical “A” for add.
- I. **Total levy amount of assessment must be equal to levy amount.**
- J. The amount of interest and service charge must be zero.
- K. Total levy amount must be even cents (.02, .28, etc.).
- L. Levy amount and total levy amount must be greater than zero.
- M. **Parcel numbers must be in sequential order.**
- N. Each levy record must consist of the following fields:

<u>Field Name</u>	<u>Length</u>	<u>Starting Position</u>	<u>Format</u>
Parcel Number	14	1	Numeric, 14 digits
District Number	4	15	Numeric, 4 digits
Principal/Levy Amount	11	19	999999999V99
Interest	10	30	00000000V00
Service Charge	9	40	0000000V00
Total Levy Amount	11	49	999999999V99
Assessment Number	5	60	Blank spaces or 00000
*Update Code	1	65	Alphabet A

IF ANY RECORD FOR THE DISTRICT IS IN ERROR, ALL TRANSACTIONS FOR THAT DISTRICT WILL BE REJECTED.

II. LISTING SPECIFICATIONS AND FORMAT

- A. The data must be typed and each page must consist of one district.
- B. All fields except assessment number and update code are numeric. Numeric fields must consist of the characters “0” through “9” only (no spaces, periods, signs, currency symbols, or any other non-numeric characters). Numeric fields must be right-justified, zero filled.

DATA SUBMISSION REQUIREMENTS

ATTACHMENT G

Example:

\$125.00 in levy amount field is 00000012500; the decimal point is assumed.

- C. Assessment number can be blank or numeric.
- D. Update code must be alphabetical "A" for add.
- E. Total levy amount of assessment must be equal to levy amount.**
- F. The amount of interest and service charge must be numeric, use zeroes if no amount.
- G. Total levy amount must be even cents (.02, .28, etc.).
- H. Levy amount and total levy amount must be greater than zero.
- I. Parcel numbers must be in sequential order.
- J. The format of printed levy data must be as follows:

Parcel Number	District Number	Principal	Interest	Service Charge	Total Levy	Assessment Number	Update
xxxxxxxxxxxxxx	xxxx	xxxxxxxxxxxx	000000000	000000000	Xxxxxxxxxxxx	xxxxx	x

<u>Field Name</u>	<u>Length</u>	<u>Format</u>
Parcel Number	14	Numeric, 14 digits
District Number	4	Numeric, 4 digits
Principal/Levy Amount	11	999999999V99
Interest	10	00000000V00
Service Charge	9	0000000V00
Total Levy Amount	11	999999999V99
Assessment Number	5	
Update Code	1	Alphabet "A"

Example:

Parcel Number	District Number	Principal	Interest	Service Charge	Total Levy	Assessment Number	Update
0730014000000	0101	20156812	000000000	0000	20156812	08900	A

IF ANY RECORD FOR THE DISTRICT IS IN ERROR, ALL TRANSACTIONS FOR THAT DISTRICT WILL BE REJECTED.

Substitute formats will not be processed.

**County of Sacramento
Department of Finance
Auditor-Controller Division
2023-2024 Cost Schedule**

1.	Annual cost for maintaining any agency's direct levy in the Sacramento County Property Tax Billing, Collection and Apportionment systems.	\$25.00
2.	Per levy cost for system's processing (annual process).	\$0.09
3.	Per levy cost for levying, processing, and apportioning direct levies (Auditor-Controller Division's cost).	\$0.09
4.	Per levy cost for collecting (Tax Collection Division's cost).	\$0.39
5.	Per levy cost for levies requiring judicial foreclosure (the Tax Collector Division's cost of mailing appropriate notices, removing levies from tax bills, and reporting delinquencies).	\$0.72
6.	Per levy key data entry cost for preparing data files.	\$7.00
